## *Dining & Debit Frequently Asked Questions*

### Academic Year 2009-2010

#### **Who is required to purchase a Meal Plan?**

First semester freshmen residence hall students are required to purchase either the All-Access or 14 meal plan for the fall semester. All other residence hall students must select from the All-Access, 14, 10 or 7 meal plans. Students **not** residing in a residence hall have the option, but are not required, to select the All-Access, 14, 10, 7, 25-block or 50-block plan.

#### **How does the All-Access Meal Plan work?**

This plan is designed for full-time resident students, who have a hearty appetite. It allows student's unlimited entry and unlimited meals in the MarketPlace each week, as well as one meal per period in the Food Court locations.

#### **How do the 14, 10 and 7 Meal plans work?**

Your RowanCard (University I.D. Card) will be encoded to access your Dining Service Account. You must present your RowanCard to the cashier for entrance into the Cafeteria. When you enter, a meal will be deducted from your account for that week. Only one meal may be eaten in each meal zone. The week begins on Monday and ends on Sunday. As one of your meals, you may choose from selected combo options in the Food Court. Each meal plan comes with in Dining Dollars that may be accessed using your RowanCard and used in any dining location on-campus including the Rec Center Juice Bar.

#### **How do the 50 & 25 Block plans work?**

All non-residence hall students may choose any meal plan including the 50 or 25 block plan. The Block Plan works much like the other plans except they may be used for any meal in the semester, regardless of meal zone. One meal is deducted from your account each time you eat a meal. Unlike the other plans, you may eat more than one meal in a meal zone. Blocks do not carry over from one semester to the next. As with the other plans you may use one of your meals as an equivalency in the Food Court.

#### **How do the Dining Dollars work?**

Dining Dollars are integrated into all meal plans to give you added flexibility and convenience. Dining dollars may be used **ONLY** at on-campus dining locations. They also may be used to supplement your meal plan in lieu of a meal or paying for a friend to eat with you.

#### **How do I cancel or change my meal plan?**

Cancellations of the All-Access, 14, 10 and 7 meal plans are allowed except for students residing in a residence hall and are pro-rated, on a weekly basis, through the first **three** weeks of the semester only. Thereafter, there will be no refund for the remaining weeks. The 50 and 25 block plan will be refunded on a meal remaining basis until the end of the **third** week of the semester after which there will be no refund for remaining unused meals. You may change to a higher plan at any time. To make changes, stop in the Bursar's Office in Savitz Hall.

#### **Is the RowanCard Account right for me?**

All students may participate in an optional RowanCard Account in order to enjoy the convenience of purchasing power all over the campus without cash, coins, checks or credit cards. You can maintain any balance on your RowanCard account that is right for you. Each time you use your Rowan ID Card, the amount of your purchase will automatically be deducted from your 'Boro Bucks. You can use 'Boro Bucks at locations all over the campus including the Bookstore, Laundry and all dining locations. Unused balances, of \$10.00 or higher, in the RowanCard Account are refundable **only at the end of the academic year upon written request to the Bursar's Office**. Otherwise, balances in this plan carry forward to the next academic year. To add funds to the 'Boro Bucks account students must go to the Bursar's Office or on-line at: [www.rowan.edu/selfservice](http://www.rowan.edu/selfservice).
