

SUBCONTRACTOR DISCLOSURE FORM

The "State College Contracts Law", P.L. 1986, c. 43 (C.18A:64-52 et seq.) empowers Rowan University to solicit construction bids for a single prime contract.

The law also requires the bidders (single prime contracts) to "set forth the names and license numbers of, and evidence of performance security from, all subcontractors to whom the bidder will subcontract the work" at the sole discretion of the University. **In no event may the bidder substitute any subcontractor listed below without written consent of Rowan University.**

If awarded a contract for this project, _____
(Name of Bidder)

will utilize the following subcontractors on the project:

<u>Category</u>	<u>Subcontractor Name</u>	<u>License No. (If Applicable)</u>
Plumbing & Steamfitting	_____	_____
HVAC	_____	_____
Electrical	_____	_____
Structural Steel/Ornamental Iron	_____	_____
General Construction	_____	_____

	_____	_____

The bidder must submit with its bid to the University evidence of performance security in the form of a performance bond and/or consent of surety in accordance with each of its listed subcontractors to both bidder and University and identifying this Project. This provision may be waived upon receiving written notice by The University. Only bonds and/or consents of surety issued by a surety meeting the financial standards outlined in N.J.S.A. 18A:64-68 and which also contain a surety disclosure statement and certification as described in this statute will satisfy University requirements.

This evidence of performance security from the contractors is separate and distinct from the bidder's obligation to submit a Bid Bond to the University in the amount of 10% percent of the bid. The consent of surety as well as any/all performance and payment bonds must be in accordance with New Jersey State Statute(s) and for the total dollar (\$) amount of the bid plus any alternates.

I certify on behalf of _____
