

Rowan University

The College of Engineering, The Department of Chemistry & Biochemistry, and
The Department of Physics & Astronomy

Summer Institute in Materials Science Student Application Form June 21st to June 26th, 2009

Eligibility: You must be a high school student who will be a junior or senior next academic year (Fall 2009). It is anticipated that students will live on campus for the week of the Summer Institute. The price for the Summer Institute is \$350 including all housing and food costs (A scholarship to the Summer Institute will be provided for an outstanding student).

Applications received by May 18, 2009 will be considered in full. Late applications will be considered if space permits.
Confirmations will be sent as soon as practical.

Instructions:

- 1) **Fill out the information** requested below.
- 2) **Attach a transcript or list** of science and math classes you have taken and grades received. Include classes you are currently taking.
- 3) **Please give copies of the recommendation form** to one or two of your science or math teachers who can comment on your abilities and potential. **These letters should be sent separately by the referee**, not enclosed with your application.
- 4) **Attach a personal statement** of one or more pages, describing your current interests, future educational and career plans or goals, and how you expect to benefit from this program.
- 5) **Mail** all material to:
Summer Institute in Materials Science
c/o Jane Rynex
Science Hall
