Leadership Series to help clubs & organizations

Leadership Rowan is very excited to be presenting the **TORCH series** all year for 2014-15! Previously held only in the spring, the TORCH series is open to all students, and largely focuses on subjects that benefit students in clubs or other organizations. The topics for this series were chosen by students and will be presented by students! The goal is to help clubs, and help people develop leadership skills applicable whether in clubs or not.

We hope that you'll join us for some of the TORCH Series workshops as you continue to develop your leadership and the organizations you are involved in, or hope to get involved in! Listed below are the remaining TORCH workshop topics, locations and times. Students who participate in 80% of the TORCH Series for the year will automatically achieve their 2nd level of the Leadership Rowan certification!

**Monday, October 20th** at 9:00 p.m., Chamberlain Student Center, Room 221 - "Goal-Setting"

**Tuesday, October 28th** at 9:00 p.m., Chamberlain Student Center, Room 221 - "Movies That Move" - As part of Disability Awareness Week, come join us as we watch clips from some well-known TV shows and movies like Glee, Sandlot, and Harry Potter, and have a discussion about inclusion.
