

**CGCE ED.D. IN EDUCATIONAL LEADERSHIP P-16 TRACK DECLARATION FORM
2011-2012 APPLICATION YEAR**

Purpose of the Ed.D. in Educational Leadership Track Declaration Form:

There are two possible tracks available in the Ed.D. in Educational Leadership P-16 Program. Your official program sequence will change slightly depending upon the track and cohort you select. This form is only for those who are applying to a P-16 program. You will select your cohort/program via the official CGCE Graduate-level Application form, and you will select your track by including this completed form with your application file. (Your application to the Ed.D. in Educational Leadership program will not be complete without this form.)

Track Options:

- **P-12 Track:** This track is for educators who are looking to gain advanced knowledge in the field with a special focus on developing the leadership skills and dispositions necessary to enact lasting and meaningful change within the preschool through secondary school levels.
- **Higher Education Track:** This track is for educators who are looking to gain advanced knowledge in the field of Higher Education with a special focus on developing a repertoire of skills that will enable the student to become an agent of change at the post-secondary/four-year college level.

Cohort/Delivery Options:

Both of the above tracks are available through one of 3 cohort options. All four track-specific courses are offered 100% online across 8 weeks regardless of cohort. The remaining courses in the program are offered in a different mode of delivery depending upon cohort location as outlined below:

1. **Fall 2011 Camden Cohort:** Except for the four track-specific courses, this cohort is delivered in an accelerated, face-to-face format. Courses are 8 weeks in length, and meet each Tuesday night from 5-9pm at Rowan's Camden Campus.
2. **Fall 2011 NJPSA (New Jersey Principals and Supervisors Association) Cohort:** Except for the four track-specific courses, this cohort is delivered in an accelerated, hybrid format (60% online and 40% face-to-face, with 3 Saturday meetings for each course). Courses are 8 weeks in length, with 3 Saturday meetings (per course) at NJPSA in Monroe Township, NJ.
3. **Fall 2011 Cumberland Cohort (Tentative):** Except for the four track-specific courses, this cohort is delivered in an accelerated, face-to-face format. Courses are 8 weeks in length, and meet each Thursday night from 5-9pm at the Cumberland County College campus in Vineland, NJ.

Note about the Community College (CCLI) Track: For Fall 2011 applicants, there is also an option to pursue a focus in Community College Leadership in a hybrid-format program (60% online and 40% face-to-face, with 3 Saturday meetings for each course). This program will be offered in Fall 2011 at **Mercer County Community College**. You do not need this form to select this track as it has its own program code. You would simply apply directly to the CCLI program through CGCE.

For application information and more details about each of the above programs, please consult the CGCE Graduate Level Application Form and the CGCE Admissions Requirements Chart – both available to download from www.rowan.edu/cgce/forms. (This chart is also where most other key application information is located for this program including entry points, application deadlines, and the contact information for the Academic Advisor should you have any questions before applying about which Track to choose.)
