### Conceptual Framework

# Areas of Prominence

- **Early Childhood Demonstration Center**

The Early Childhood Demonstration Center offers preschool age children of students, faculty, staff and alumni opportunities to learn through play in a mixed-age group setting.  
([www.rowan.edu/ecdc](http://www.rowan.edu/ecdc))

- **Reading Clinic**

The Rowan University Reading Clinic has served Glassboro and surrounding communities for many years, offering assessment and tutoring for children who struggle with reading and writing. Rowan students specializing in reading instruction and supervised by the Reading faculty serve as tutors.  
(<http://www.rowan.edu/colleges/education/programs/lse/clinic.html>)

- **Assesment and Learning Center**

The Rowan University Assessment and Learning Center is a training and service unit within the department of Language, Literacy, and Special Education. It is a state approved agency that can provide independent child study team evaluations. The center provides a range of services for clients of all ages (2 through adulthood) with educational, social, emotional, attention, and developmental disorders.  
(<http://www.rowan.edu/colleges/education/programs/lse/assessmentcenter.html>)

- **John J. Schaub Instructional Center**

The Schaub Center is comprised of an open computer lab and instructional materials facility. The Schaub Center is dedicated to providing the most innovative and inspiring educational tools to each successive generation of teachers at Rowan University.  
(<http://www.rowan.edu/colleges/education/student-services/schaubcenter/index.html>)

- **Sudent Services Center**

The Student Services Center provides students with the necessary support and guidance as they pursue their educational goals and courses through the College of Education. It is a resource that offers program advisement for current and prospective students, field placement information and assistance in application for professional education licensure.
