

**Interested in Computer Science or Engineering but don't know where to start?
Join the
STEM Academy at Rowan (StAR)
A part of the EOF/MAP Pre-College Institute**

The **STEM (Science Technology Engineering Mathematics)
Academy at **Rowan**
is a 6 week pre-STEM summer academy
for students interested in majoring in
Computer Science or Engineering at Rowan University**

During the STEM Academy you will have the opportunity to:

- Get support and guidance on how to break into these fields.
- Be mentored by faculty from Computer Science and Engineering.
- Learn about careers in Computer Science and Engineering.
- Create computer programs and build engineering models.
- Get instruction on the math pre-requisites for these fields of study.

You must test out of basic math on the AccuPlacer exam in order to join!

**If you have any questions or would like to participate please contact
Dr. John Robinson at robinsonj@rowan.edu or by phone at 856-256-4805**

***Students who successfully complete the StAR program will be offered awards to
acknowledge their achievement***
