

**Center for Autism Research Distinguished Lecture Series**  
**Wednesday, March 24, 2010**  
**7 p.m. - 9 p.m.**

The Center for Autism Research of the Children's Hospital of Philadelphia and The University of Pennsylvania presents....

**EVDOKIA ANAGNOSTOU, M.D.**

**“WHAT WE KNOW AND DON'T KNOW ABOUT MEDICATIONS IN AUTISM”**

Evdokia Anagnostou, M.D. is a neurologist and assistant professor in the Department of Pediatrics at the University of Toronto. Dr. Anagnostou is a clinical scientist at the Bloorview Research Institute engaged in study concerning evaluation of care. Dr. Anagnostou is the co-editor of the *Clinical Manual for the Treatment of Autism*. Her research explores how the brain functions in autism and how it is affected by drugs.

In this talk, Dr. Anagnostou will lead an educational session about current and future research on medications and autism.

**WHEN:** Wednesday, March 24, 2010, 7PM-9PM

**WHERE:** Abramson Research Center, Room 123ABC

**WHO SHOULD GO:** Family Members, Individuals with ASD, Educators, and Other Professionals

**COST:** This presentation is FREE OF CHARGE

**PARKING:** Available at the Wood Center garage at CHOP. Please mention CAR presentation: \$4
