

Installing Mathematica 8 on Rowan University individual Rowan faculty/staff machines

(1) Use your organization email, @rowan.edu, and create a WolframID (if needed), and request an Activation Key at the following web site:

<https://user.wolfram.com/portal/requestAK/783dbb943568322233c6e6e3109661d34d7e2a0e>

If you are creating a new Wolfram ID you may have to go to the above activation site a second time. You will then receive one email to confirm your WolframID and a second email with your Activation Key.

(2) Click on the download link sent in the activation email: login with your WolframID, download the appropriate executable file (Mac OS, Windows, or Linux), and run the installer on your local machine.

(3) Enter the Activation Key (also sent by email) during the installation when prompted, make sure you are connected to the internet

(4) We believe that Mathematica will auto-renew your key as your site license is renewed in future years (otherwise you will have to request it again with the above link).

Installing Mathematica 8 for Students on individual student machines

Installing Mathematica 8 on faculty/staff home machines

To start a request for a Home Use license (new installer, or upgrade), just fill out this web form:

<http://www.wolfram.com/siteinfo/homeuse/>

(1) You'll need your organization license number, which is L2580-8578 for Rowan University.

(2) The web form will ask whether you want a download or CD shipment, and basic contact information. It will take us roughly a day or two to process the order (plus shipment time).

(3) You'll receive an email with instructions to create a WolframID, and request an Activation Key to complete the installation.
