RE: Credit Hour Change
DATE: December 4, 1978

1. Title of the Course: Applied Instrumental I - 1097.105
Applied Instrumental II - 1097.106
Applied Vocal I - 1097.107
Applied Vocal II - 1097.108

2. Background:

The two credit hours presently offered for Applied Instrumental and Vocal I, and II, will be reduced to one credit hour. This reduction is required by the curriculum revision the Department effected in September whereby it increased the General Education component in both the Applied Performance and Music Education Tracks to achieve consistency with other departments in the college and conformity with the State mandate. It also serves to make the credit received consistent with the instructional time as students receiving a half hour private lesson will get one credit and students receiving an hour lesson will get two credits.

3. Details:

Staffing and implementation will remain the same.
