Re Art Education Component Proposal

Date 4-4-75 From Byron Young, Chairperson  
Art Ed. Comm.

I have been informed by Mr. Schaub of Secondary Education that there is no longer an objection to the proposal submitted for consideration to the Curriculum Committee. This action seemingly clears the proposal for subsequent action on the Senate floor. A letter to that effect is to be sent to me.

Dr. Janice Weaver has been informed of the content and meaning of certain items in the document and concurs with the total proposal. Her signature has been affixed to the Senate Course Approval form as is required.

We would hope that action commence as soon as possible in order that the program take effect in the Fall 1975 Semester.
