

# MINOR CURRICULAR CHANGE

## Change in MBA Curriculum

### 1. Details

#### a. Change Requested:

Remove Business Policy and Strategy as a core MBA course

#### b. Sponsors:

Kimble Byrd, Robert Fleming, Berhe-Habte Giorgis, Larissa Kyj, JooH Lee, Tom Michael, Dilip Mirchandani, and Chee Ng

### 2. Rationale

#### a. Statement of Need:

Currently, this course is required of all MBA students as it is part of the MBA core. In the new integrated curriculum, Strategic Management issues have been integrated into the Integrative Seminar course. Hence, the inclusion of these materials in the integrated core eliminates the need to require Business Policy and Strategy as a core course.

#### b. Statement of Curricular Effect:

Removing Business Policy and Strategy as a core MBA course will decrease the number of courses taken by one course or 3 credits.

### 3. Results of Consultation

#### a. Parties Consulted

An interdisciplinary workgroup that includes MBA faculty from every discipline and department within the College of Business is charged with redesigning the MBA curriculum. This group was consulted on the proposed change.
