RE: Credit Hour Change

DATE: December 4, 1978

1. Title of Course Choral Literature 1006.3.3

2. Background:

The Music Department wishes to reduce the credit allocation for this course from three hours to two hours. This reduction is required by the curriculum revision the Department effected in September whereby it increased the General Education component in both the Applied Performance and Music Education Tracks to achieve consistency with other Departments in the College and conformity with the State mandate.

3. Details:

There will be an appropriate reduction in class time. Such a reduction will make the credit allocation for this course the same as for Vocal Literature.
