**Minor Curricular Change in Prerequisites for
Writer's Mind; Writing, Research and Technology; Evaluating Writing**

Details

- a) Change the prerequisites of three courses in the Writing Arts major from College Composition I (1501.111) and College Composition II (1501.112) to the following for each course:

<u>Course</u>	<u>New Prereqs</u>
Writer's Mind (1501.401)	CCII (1501.112) and 45 s.h.
Writing, Research and Technology (1501.301)	CCII (1501.112), Communication Theory (0601.300) and 60 s.h.
Evaluating Writing (1501.405)	CCII (1501.112) and 75 s.h.

- b) Sponsor: Sanford Tweedie

Rationale

- a) Need for such a change:
The Writing Arts major was begun in 2000. The reason for the proposed change in prerequisites is based on the department now having a better feel for the order in which we want our majors to take these courses. While the hours do not replace the need for advising, the change in prerequisites will help guide students as they make choices as to which classes to take and will assure that students are prepared for the next class in the sequence.
- b) Curricular effect: None except for improved sequencing and coordination of courses.

Results of Consultation

No consultations have been requested. The alterations affect only our majors.
