**Minor Curricular Change  
Changing a Major Requirement for Computer Science Majors**

1. Details

- a. Change requested: Change the major requirement

1702.360 Prob. & Stat. I [1701.131] or 1702.260 Stat. I [1701.122]

to

1702.360 Prob. & Stat. I [1701.131]

- b. Sponsor: Jianning Xu, Assistant Professor, Computer Science

2. Rationale

- a. Statement of "need" for such a change:

The Computer Science Department has decided to start the efforts to seek accreditation from the Computer Science Accreditation Board (CSAB) for our program. As a part of the efforts, certain curricular changes are needed. The accreditation criteria require that the mathematics component of the program must include probability and statistics. The proposed change will exclude the statistics only option.

- b. Statement of curricular effect:

All the majors will be required to take Prob. & Stat. I.

3. Results of Consultation

A Letter of consultation has been sent to the Mathematics Department.
