MINOR CURRICULAR CHANGE

GERMAN CONCENTRATION

1. Details

- (a) i. Change requested from current configuration of concentration to configuration of concentration outlined following:

GERMAN CONCENTRATION.....18 s.h.

Elementary German I.....3 s.h.

Elementary German II.....3 s.h.

Intermediate German I.....3 s.h.

Intermediate German II.....3 s.h.

Any two upper level courses  
offered in German.....6 s.h.

- (b) Sponsored by the Department of Foreign Languages and Literatures.

2. Rationale

- (a) To bring the title of the grouping of these courses into conformity with the memorandum of April 3, 1986 from Dr. Bolay, Chairperson, Faculty Senate Curriculum Committee regarding Curricular Review of Concentrations.

To make minor curricular revisions to the extent of including Elementary German I and II in the concentration pattern, to allow more students to pursue a German Concentration. This latter "need" has in mind the current directions and directives to internationalize the curricula at GSC.

- (b) In the existing Concentration Elementary I and II have been prerequisites. We wish to give credit for these courses, recognizing the effort that goes into the first year of language study.

This (revised) (minor) will be more attractive and practical in terms of staffing and will give a wider opportunity for all students to fulfill a German Concentration. Goals (knowledge of the language and culture) remain the same.

3. Results of Consultation

- (a) All faculty of the GSC Department of Foreign Languages and Literatures participated in discussion of this change, and were unanimous in their approval of it.
