RE: Name Change of World Studies to International Studies

Dear Dean Donovan:

During the World Studies meeting on September 20, 1978, the Committee recommended to change the name of World Studies to International Studies. There are many reasons for this recommendation. First of all the term International Studies is most widely used for the type of program (Area Studies) which we are offering here at Glassboro State College. Secondly the term World Studies seems to be a difficult term for many students who cannot gather from the name which kind of courses will be offered. Thirdly, we would like to apply for a grant to NSF to support our program here and I think that International Studies would have a better chance to attract attention.

As Coordinator of World Studies I would like to ask you to endorse such a name change and take the necessary steps to carry it through. Would you kindly advise me of any other administrative steps which should be taken by me in connection with this matter?

I wish to thank you for your continued interest and support in our program.

Sincerely,

Erika Sheikholesami
