Minor Curricular Change

1. Details
 - a. Change requested: Delete course 2204.380 Mathematical Economics
 - b. Sponsor: The Department of Economics

2. Rational

This course has not been offered since the Spring Semester of 1988. In fact, only 11 students enrolled. With the changing mix in our student body towards practicality it is highly unlikely that there will be a demand for this course in the foreseeable future. Accordingly, the Department requests that it be deleted from our list of Economics Electives so that we do not misrepresent the Program.
