RE: Music Curriculum Codes

After reviewing the curriculum materials and official correspondence regarding the approval of the Bachelor of Music (BM) degree program, it was decided that the BM degree was intended to have three different majors. They will be as follows: Performance (major code 1011), Theory/Composition (major code 1012), and Jazz Studies (major code 1013). The Bachelor of Music Education will stay the same with its existing major code of 1006. The major code 1004 (Bachelor of Music) as it exists now will have a final term attached to it so that no new students may select it as a major.

Attached is a list of all current 1004 (Bachelor of Music) majors. Please update this list with the correct new BM code for these students. The 1004 major code will be replaced with either Performance (1011), Theory/Composition (1012) or Jazz Studies (1013). Please make all corrections on the attached list and return to me no later than **June 19, 1995**. Should you have any questions or wish to discuss this further, please do not hesitate to contact me at extension 4362.
