MINOR CURRICULUM CHANGE- **(Change of Non-Business Requirements)**

1. Details

a. Change Requested:

Change of Non-Business Requirements (undergraduate):

From: Foreign Language component (two courses at the intermediate level) OR
Computer Science component (two courses at the 200 level or above)

To: Foreign Language component (two courses at the intermediate level) OR
Computer Science component (two Rowan or Rowan equivalent courses
beyond Computer Literacy and Computing Environments)

b. Sponsor:

George C. Romeo
Department of Accounting and Finance

c. Implementation:

Starting Fall Semester, 2000

2. Rationale:

a. Statement of "Need" for Such a Change:

Our students are finding that they have to take four or five computer courses to meet the prerequisite requirements at the 200 level, and precludes them from taking excellent computer courses offered at the 100 level. It also provides flexibility to our B.S. in Accounting program and expands the exposures students can avail themselves of in computer science.

b. Statement of Curricular Effect:

None

3. Results of Consultation:

The Department of Accounting and Finance discussed the issue in its September 23, 1999 Department meeting. It was unanimously approved by the Department.
