- b. **Sponsor:** Stephanie M. Weidman, Ph.D.

**2. Rationale**

- a. **Need for the Change:** The above courses have not been taught for more than 10 years, nor will be offered in the future as part of the Accounting/Finance curriculums. They are no longer listed in the University Catalogue, but are still on the Registrar's course list. Thus, there is a need to eliminate these courses from the Registrar's course list to keep the system updated.
- b. **Curricular Effect:** Eliminating these old accounting courses from the Registrar's list will have no impact on the current curriculum or other business programs.

- 3. Letters of Consultation:** None necessary.
