Minor Curricular Change Proposal

Details

- a. Course Deletion
- b. Economics Department

Rationale

- a. The Regional Economics of Southern New Jersey (~~224-340~~²²⁰⁴⁻³⁴⁰) is being cancelled due to the fact that our deceased colleague, Dr. Hamer, had organized and taught this course for many years. There is no interest among the faculty to teach this course.
- b. There will be no impact on the program.
- c. This is an elective course. There will be no changes in the Major as a result of deletion.

Results of Consultation

- a. This does not affect any other departments.
- b. N/A
