I fully support the Dept of Reading and the Dept of Ed Leadership request to change the HEGIS number of Researching Classroom Practice from 0824.xxx to 0830.xxx. Both departments have sent a previous memo asking for this change.

Dear Dr. Milou,

Both the Department of Reading and the Department of Educational Leadership approve of changing the legis number of the new course, *Researching Classroom Practice*, from 0824.xxx to 0830.xxx. The course was developed by the Department of Reading. The original intention was for the course to be offered by it as well.

Sincerely yours,

David Hesse, Esq.
Chairperson,
Department of Educational Leadership

Cindi,

The Senate office can't find the letter.
It may be in the Provost's office, but if you have a copy, can you send it to me (us) again? Electronically would be fine.
