Athletic Training Specialization Minor Curriculum Change
Proposal for Safety, First Aid and Prevention (0835.235) Name Change

1. Details:

- a. It is proposed that Safety, First Aid and Prevention (0835.235) course name be changed to Safety, First Aid and Basic Understanding of Athletic Injuries.
- b. Sponsor: Dr. Robert Sterner, Director of Exercise Science

2. Rationale:

- a. Students have consistently indicated that the current course name does not accurately reflect the content of this course. The proposed name will allow students to have a better understanding of the course's content prior to enrolling. It is also believed that the new course name will allow employers to ascertain what skills a potential candidate may have when considering life saving and basic injury prevention skills.
- b. No change to the major or minor will result from this proposal's approval. It also does not affect any other specialization in the Department of Health and Exercise Science.**

3. Results of Consultation:

- a. None necessary.
