#### Minor Curricular Change

##### 1. Details

- a. Change requested: Prerequisite for 2204.491 Seminar in Economics

From: Senior standing

To: Senior standing or department chairperson's permission

- b. Sponsor: The Department of Economics.

##### 2. Rational

- a. The department is participating in the Association of American College's Reforming the Major Project. As part of the process, a consultant visited the campus on June 3, 1993 and recommended this course of action. The Department agrees.
- b. The current prerequisite has been in place since the inception of the major. We included the department chair's permission as part of the prerequisite to allow for exceptions in those cases where the student was 3 hours short of senior standing but would graduate before it was offered in the following Spring.

A review of the enrollment over times has not uncovered one instance where the chair's permission was needed. Hence, we wish to delete this part of the prerequisite.
