MINOR CURRICULAR CHANGE

SPANISH CONCENTRATION

1. Details

(a) i. Delete the following three Spanish Concentrations:

- SPANISH BILINGUAL CONCENTRATION FOR ELEMENTARY EDUCATION MAJORS
- SPANISH BILINGUAL CONCENTRATION FOR LAW AND JUSTICE MAJORS
- SPANISH BILINGUAL SPECIALIZATION (LIBERAL ARTS AND SCIENCES MAJORS)

Rationale: The deletion of the three concentrations named under 1. (a) is due to considerable curricular overlap and repetition, as well as to a lack of demand in the past from students in professional studies. The Spanish Language Minor will still meet the needs for language training of any professional student or Liberal Arts and Science major who wishes to pursue a career with a bilingual or international direction.

- ii. Change requested for Spanish Language Concentration from CONCENTRATION to MINOR
- ii. Change requested from current configuration of concentration to configuration of minor outlined following:

SPANISH LANGUAGE MINOR.....	18 s.h.
Elementary Spanish I.....	3 s.h.
Elementary Spanish II.....	3 s.h.
Intermediate Spanish I.....	3 s.h.
Intermediate Spanish II.....	3 s.h.
Any two upper level courses offered in Spanish.....	6 s.h.

A student who has two or more years of Spanish in high school may start the Minor with the Intermediate courses and may take additional upper level courses in Spanish to fulfill the Minor requirements.

(b) Sponsored by the Department of Foreign Languages and Literatures.

2. Rationale

(a) To bring the title of the grouping of these courses into conformity with the memorandum of April 3, 1986 from Dr. Bolay, Chairperson, Faculty Senate Curriculum Committee regarding Curricular Review of Concentrations.

To make minor curricular revisions to the extent of including Elementary Spanish I and II in the minor pattern, to allow more students to pursue a Spanish minor. This latter "need" has in mind the current directions and directives to internationalize the curricula at GSC.

- (b) In the existing Concentration Elementary I and II have been prerequisites. We wish to give credit for these courses, recognizing the effort that goes into the first year of language study.

This (revised) minor will be more attractive and practical in terms of staffing and will give a wider opportunity for all students to fulfill a French Minor. Goals (knowledge of language and culture) remain the same.

3. Results of Consultation

- (a) All faculty of the GSC Department of Foreign Languages and Literatures participated in discussion of this change, and were unanimous in their approval of it.
