

Summer 2008 Loan Worksheet

Loans for all summer sessions must be applied for and originated before June 26, 2008. After this date we will not be able to certify any summer loans. If you cannot register until the July session, you must apply for the loan early in May/June. Indicate how many credits you intend to register for. If you do not register for as many credits as intended then report to the Financial Aid Office the number of credits you are taking.

You will only be eligible for a summer loan if you did not use all your loan eligibility during Fall/Spring 2007-2008. If you used all your loan eligibility, inquire from the staff if you need a PLUS loan or alternative loan. If you do not have student loan eligibility your parent can go to our website and apply for a PLUS loan. You may apply for an alternative loan.
