Transfer Application for Admission

Fall 2017

This application is for use by transfer applicants only. Freshman applicants must apply online via The Common Application (www.rowan.edu/applications).

Transfer Applicants
A student who has attended a college or university following graduation from high school and has completed a minimum of 12 transferable college credits by the application deadline is considered a transfer applicant. Transfer applicants must submit an official transcript from each institution attended. Applicants with fewer than 24 credits completed at the time of application must also submit official high school transcripts and SAT or ACT scores. If you have graduated high school and are currently in your first semester of college, you are still considered a freshman applicant and must file a freshman application.

Required Documentation
The required documentation for transfer applicants include:
- Completed application form
- $65 application fee
- Official transcripts from all colleges attended
- Applicants having earned fewer than 24 college credits at the time of application must also submit an official high school transcript and SAT or ACT scores
- Completed portfolio review, audition or departmental interview for art, dance, music or theatre applicants

Art, Dance, Music & Theatre
Applicants for Art, Music & Theatre must also complete an interview, audition, essay and/or supplemental application by the application deadline. Visit www.rowan.edu/applications for review dates, requirements and to schedule an appointment. Successful audition and portfolio interview approval does not guarantee acceptance into the University.

Global Learning & Partnerships
In addition to the academic programs listed on the last page of this application, Rowan University also offers undergraduate degree completion programs for transfer students -- both off campus, online and at our partner institutions. For a list of these programs and for application materials, visit www.rowanu.com.

Apply Online
www.rowan.edu/applications
Before completing this paper application have you considered applying online? Applying online can make life easier everyone —no papers to mail (you) or to process (us).

Submitting Your Application
Completed paper forms should be returned to the Admissions Office with a $65 non-refundable application fee. Check or money order made payable to Rowan University (do not send cash). You may attach an application fee waiver from your current school or another institution to this application.

Academic Records
Academic records from the institution(s) where courses were taken must be sent to the Admissions Office. Official transcripts must be sent from each college attended. Unofficial transcripts are not acceptable. If required, arrange for SAT or ACT scores to be sent to Rowan University. Send all records to:
Rowan University
Office of Admissions
201 Mullica Hill Road
Glassboro, NJ 08028-1701

College transcripts may also be submitted electronically to electronic-transcripts@rowan.edu.
Transferring Credits
If you are interested in transferring to Rowan, two online resources can help you determine which of your courses may transfer for credit:

- NJTransfer.org is a website for students in New Jersey who want to review course equivalencies for two-year to four-year colleges statewide.
- www.rowan.edu/newtransfer is the Rowan website for transfer students offering information about credential evaluation and course equivalencies.

Students with questions about specific course or advisement issues can email transferhelp@rowan.edu for further information.

If you are accepted for admission, the Registrar and the academic department for your intended major will complete a credit evaluation for you. Shortly after you receive your acceptance package, you will be able to view your evaluation online. An adviser in the department of your intended major will be able to answer your questions about transferring any credits completed at another institution.

Financial Aid & Scholarships
Transfer students are eligible for financial aid. To qualify, you must file the Free Application for Federal Student Aid (FAFSA), a form available through your current college’s financial aid office, Rowan’s financial aid office, or your local public library. The FAFSA also may be completed and filed via the Internet at www.fafsa.ed.gov.

We encourage you to apply for financial aid regardless of whether or not you feel you are eligible. More information is available online at www.rowan.edu/financialaid.

In addition to need-based aid, Rowan offers approximately 50 Transfer Trustee Scholarships (fall applicants only) to outstanding students who transfer to Rowan from each of New Jersey’s community colleges. The value of the scholarships is $5,000 per year, and they are renewable. Transfer Trustee Scholarships are awarded competitively based on GPA, and no additional application is required.
