### **Dan Rather to moderate Rowan University Symposium On Nuclear Nonproliferation and Global Politics**

Award-winning journalist Dan Rather will serve as moderator of “Symposium on Nuclear Nonproliferation and Global Politics,” Rowan University’s capstone program marking the 40th anniversary of the Hollybush Summit, on Friday, April 11, at 4:30 p.m. in Pfleeger Concert Hall, Wilson Hall.

The symposium panel will explore why, with much discussion in academic circles and think tanks about nuclear proliferation, there is so little discussion on the topic within the global political arena.

The event is part of the yearlong Hollybush Lecture Series, marking the 40th anniversary of the historic Cold War-era summit between President Lyndon Johnson and Soviet Premier Alexei Kosygin at the Hollybush Mansion.

Panelists for the April 11 symposium are:

- William Potter, Director, James Martin Center for Nonproliferation Studies and Sam Nunn and Richard Lugar Professor of Nonproliferation Studies, Monterey Institute of International Studies
- Joseph Cirincione, incoming President of the Ploughshares Fund
- Rose Gottemoeller, Moscow Center Director, Carnegie Endowment for International Peace

The symposium is free and open to the public, but seating is limited. Order tickets by visiting [www.rowan.edu/hollybush](http://www.rowan.edu/hollybush). For more information, call (856) 256-4240.
