April 15

The Women's Professional Network of Rowan University and the Office for Service Learning and Volunteerism are collecting books for preschool students at Rowan's Camden campus. Due April 15, donations can be deposited in the orange-and-white striped bins located in the Rec Center, Campbell Library, Student Center SGA office, Education Hall reading clinic and Bole Hall. Our goal is to provide a book a month for the 30 children in the pre-school to take home.

For more details or to volunteer to be a guest reader, contact Peggy Schoen at (856) 256-4058.
