## *Moot Court*

Jackson Lewis has teamed up with our NJ ACE-Net & NJ CUPA-HR legal talents to present a live Moot Court, dramatically enacting a trial based on a sexual harassment lawsuit filed by an upwardly mobile professional in Higher Education. After the judge hammers the gavel down, you will have the opportunity to deliberate with the “jury” at your table as you determine the defendant’s fate.

This is as highly interactive as any program can get. You just can’t miss this esteemed panel of labor lawyers, as they present their academy award worthy performances.

### *CUPA-HR National Training CD on Sexual Harassment*

As if a live Moot Court wasn’t enough, we are pleased to be the first chapter of CUPA-HR in the nation to premiere the new CD Training Video on Sexual Harassment. This tutored video depicts vignettes that are written and based on actual incidents that happened on the campuses of CUPA members nationwide. This project has been in production for nearly 4 years, and was the most highly attended event at the National Conference in St. Louis on October 14, 2008.
