

# After Graduation: Women at Work

Participate in candid discussion about the real world of work with women who are recent college graduates or graduate students. Topics include job interviewing strategies, salary negotiation, issues of diversity and working in a male-dominated workplace, overcoming age bias, and things you always wanted to know but were afraid to ask.

## *Panelists*

Renai Ellison, Susan Hersh, Margaret Hunter, and Crystal Mattson

## *Session Moderator*

Dorie Gilchrist, Director of Graduate School Admissions

Sponsored by the Women's Professional Network of Rowan University to mark Women's History Month. All students, faculty, staff and community members are invited. Free admission.
