Dear Principals, Guidance Counselors and PLTW Teachers:

A Guidance Counselor Conference for Project Lead the Way (PLTW) will be held on Wednesday, January 11, 2012 at Rowan University from 8:00 am to 3:00 p.m. We will be meeting in the Atrium in Henry Rowan Hall located off of Bowe Boulevard and across from Parking Lot M1. There is no registration fee for this conference and a light breakfast and lunch will be provided.

Rowan University is the State Affiliate University for PLTW and provides support for teacher and counselor training and assists schools with implementation of the program. The conference will provide an overview of PLTW and training for counselors in active PLTW schools. Teachers and administrators are also welcome to attend. PLTW schools are required to send guidance counselors to training at least every three years

During the morning portion of the event an overview of PLTW will be provided and High School & Middle School students will present examples of what they've learned in their PLTW classes. The afternoon will include presentations on STEM education and/or specifics of the PLTW program. There will be a time to interact with other educators and guidance counselors regarding the PLTW Programs in their respective schools. If you would like to attend, please fill out the attached registration form.

If you have any questions call the Dean's office at 856-256-5300 or email cleary@rowan.edu. The address for a GPS or MapQuest is 500 Bowe Blvd., Glassboro, NJ 08028.
