Enhance your skills as a math coach or K-8 math specialist by learning and sharing ideas, successes, and concerns with other coaches! Let’s build a support community in which we can all learn and grow! Each session will include interactive presentations, activities, discussion with colleagues, and sharing. Each session will also include attention to leadership related to equity, teaching and learning, curriculum, and assessment. There will be a theme and a major speaker for each session as follows:

**March 1** - Formative Assessment & Differentiated Instruction/Reflecting on Instruction (Part 2);

**May 3** - Reflecting on Instruction/Change.

**Join us for one workshop or for all of the remaining in the series!**
