APPROVAL OF RIGHT OF CONSTRUCTION ENTRY
TO THE ARMY CORP OF ENGINEERS FOR
THE LIPARI LANDFILL SUPERFUND SITE
FOR REMEDIATION ACTIVITIES

WHEREAS, located upon the legally owned property of Rowan University exists the Lipari Landfill Superfund Site (identified in Government records as Tract Nos. 103E and 106E, Gloucester County, New Jersey), and

WHEREAS, the University in conjunction with the Army Corp of Engineers has undertaken to remediate the environmental situation on this Site to the standards as delineated by the Army Corp of Engineers, and

WHEREAS, in order to complete the remedial activities the Army Corp requires access to property owned by Rowan University, and

WHEREAS, granting such access would entail the following:

Rowan hereby grants to the Government:
1. An irrevocable right to enter upon the lands hereinafter described at any time within a period of Twelve (12) months from the date of this instrument, in order to erect buildings or any other type of improvements and to perform construction work of any nature including the right to borrow and/or deposit fill, spoil and waste material.

2. This right-of-entry includes the right of ingress and egress on other lands of the Owner not described below, provided that such ingress and egress is necessary and not otherwise conveniently available to the Government.

3. All tools, equipment, buildings, improvements, and other property taken upon or placed upon the land by the Government shall remain the property of the Government and may be removed by the Government at any time within a reasonable period after the expiration of this right-of-entry.

4. The Government shall have the right to patrol and police the lands hereinafter described during the period of this right-of-entry.

5. If aircraft flights over said lands, or entry upon the land by means of helicopter or other type aircraft, are necessary, the Government shall inform the Owner, in advance, of each such flight or entry.

6. In the event that the Government does not acquire title or other necessary interest in said land prior to the expiration of this permit or right-of-entry, or (continued)
other renewal thereof, the parties agree that, if any action of the Government’s employees or agents in the exercise of this right-of-entry results in damage to the real property, the Government will, at its option, either repair such damage or make an appropriate settlement with the Owner. In no event shall such repair or settlement exceed the fair market value of the fee interest of the real property at the time immediately preceding such damage. The Government’s liability under this clause may not exceed appropriations available for such payment and nothing contained in this agreement may be considered as implying that Congress will at a later date appropriate funds sufficient to meet deficiencies. The provisions of this clause are without prejudice to any rights the Owner may have to make a claim under applicable laws for any other damages than provided herein. If the Government does acquire such title or other necessary interest, damages would be limited to the decrease in the fair market value of the owner’s remainder caused by such damage, and

WHEREAS, it is both necessary and proper that such access be given so that Rowan may remediate the site in compliance and cooperation with the Army Corp of Engineers.

THEREFORE BE IT RESOLVED by the Board of Trustees that the Provost be authorized to enter into an agreement with the Army Corp of Engineers for a Right of Entry for Construction, delineated as to rights above, for the remediation of the Lipari Landfill Superfund Site, identified in Government records as Tract Nos. 103E and 106E, Gloucester County, New Jersey.

SUMMARY STATEMENT

There exists located at Rowan University the Lipari Landfill Superfund Site (identified in Government records as Tract Nos. 103E and 106E, Gloucester County, New Jersey.)

The University in conjunction with the Army Corp of Engineers has undertaken to remediate the environmental situation on this Site with the assistance of the Army Corp of Engineers.

In order to complete the remedial activities the Army Corp requires access to property owned by Rowan University, in the form of a Right of Construction Entry, the requirements of such are delineated above.

Therefore the Board of Trustees authorizes the Provost to enter into an agreement with the Army Corp of Engineers for a Right of Entry for Construction, delineated as to rights above, for the remediation of the Lipari Landfill Superfund Site, identified in Government records as Tract Nos. 103E and 106E, Gloucester County, New Jersey.

RESOLUTION #13a

AWARD OF CONTRACT WITHOUT COMPETITIVE BIDDING
FOR PROFESSIONAL DESIGN SERVICES
FOR HAWTHORN WATER INFILTRATION REMEDIATION PROJECT

WHEREAS, the State College Contracts Law, N.J.S.A. 18A:64-52 et seq., requires that contracts be made and awarded only by the state college/university after public advertising for bids and bidding therefore for contracts in excess of $30,100, and

WHEREAS, the State College Contracts Law, N.J.S.A. 18A-64-56, permits in certain specified instances that contracts may be made, negotiated, or awarded by the state college/university by resolution of its Board of Trustees without public advertising for bids and bidding thereof, and

WHEREAS, the University has determined that it requires certain professional design services for the Hawthorn Water infiltration Remediation Project, and

WHEREAS, the services to be rendered are exempt from public bidding pursuant to the Professional Services exemption of N.J.S.A 18A:64-56(a)(1), and

WHEREAS, the Facilities Department upon review determined that using Pazdera Architects is in the best interest of the University because the work in question is an extension of their work on the Hawthorn window replacement design the firm already completed. Their window design must be incorporated into, and become a part of, the moisture intrusion repairs and it could cost the University more in time & cost to have another design firm complete this portion of the design, and

WHEREAS, the Vice President for Finance and Chief Financial Officer has certified that there are sufficient budgeted funds available to pay the expense authorized herein

THEREFORE BE IT RESOLVED by the Board of Trustees that the Provost be authorized to enter into a contract with Pazdera Architects of Yardley, Pennsylvania in an amount not to exceed $80,000.

SUMMARY STATEMENT

This resolution authorizes contracting with Pazdera Architects for design services for Hawthorn Hall Moisture Intrusion Repairs and Indoor Air Quality Investigation for a cost not to exceed $80,000. The Facilities Department recommends upon review, that using Pazdera is in the best interest of the University because the work in question is an extension of their work on the Hawthorn window replacement design the firm already completed. Their window design must be incorporated into, and become a part of, the moisture intrusion repairs and it could cost the University more in time & cost to have another design firm complete this portion of the design.
