RE: Senate Resolution 090413-3

Resolution Recommending that Registration Stay Open
Between Final Registration and the Beginning of Drop/Add

WHEREAS, Final Registration is currently scheduled for one day, which occurs approximately
two weeks before the start of the semester, and is not open again until the Drop/Add period
opens when classes begin;

WHEREAS, for various reasons, students are unable to register on the one day currently
available for Final Registration;

WHEREAS, as a consequence of being unable to make changes to their registration, students
may have problems with their status concerning financial aid, athletic eligibility, etc.;

WHEREAS, in practice, advisors often contact the Registrar and request registration changes for
students between Final Registration and Drop/Add;

WHEREAS, when students are trying to add a class during Drop/Add, they often miss the first
day of class;

WHEREAS, if students could drop or add classes before the beginning of the semester,
instructors would experience less turnover or fluctuation in their enrollments during the first
week of classes;

AND WHEREAS, limiting Final Registration to one day is no longer necessary with the
implementation of Banner;

BE IT RESOLVED, that we recommend having registration stay open for all students between
what is the current Final Registration day and the beginning of the Drop/Add period to allow
students ample time to make schedule changes before the first day of class.
AND BE IT FURTHER RESOLVED, that in Academic Year 2009-10, in conjunction with the Office of the Provost, the Academic Policies and Procedures Committee and the full University Senate will evaluate the success of piloting Open Registration; give full consideration to the impact of changes to registration on students, faculty, staff, and administrative offices; and develop a recommendation for effective scheduling and structuring of registration to be formally implemented.
