RE: Senate Resolution 090413-5

Resolution on Promoting Foreign Language and Cultural Studies

Whereas the increasing national emphasis on globalization requires a heightened awareness of foreign languages and cultures,

Whereas the national trend among universities indicates a growing emphasis on international awareness and education,

Whereas there is no university-wide policy on foreign language and cultural education,

May it therefore be resolved that academic departments and programs be encouraged to provide opportunities for their students to develop competency in foreign languages and cultural studies.
