

# Rowan University Curriculum Chart for Home-Schooled Students

All home-schooled first year applicants who submit a portfolio of high school work are required to submit this form, which **must be completed and signed by the applicant's primary teacher**. Transfer home-schooled students who submit a portfolio and have completed fewer than 24 transferable credits must also submit this form. The required units specified below are minimums. List all additional coursework.

Attach this form to the portfolio and specify which coursework relates to which parts of the portfolio. You may also attach supplemental information you feel will be helpful in evaluating your application.
