**Minor Curricular Change:
Removing Assembly Language Programming from the Catalog**

1. Details

a. Change requested:

Remove 0704.204 Assembly Language Programming from the College Catalog.

b. Sponsor: Jianning Xu, Assistant Professor, Computer Science

2. Rationale

a. Statement of "need" for such a change:

A new course 0706.205 Computer Organization has been created to replace the Assembly course. All the Computer Science majors are now required to take the new Computer Organization course.

b. Statement of curricular effect:

The new Computer organization course remains a required course for majors.

3. Results of Consultation

Consultations are internal to the Computer Science Department.
