MINOR CURRICULAR CHANGE

1. DETAILS

a. Change Requested

That the B.A. in Art be Approved as a Coordinate Major for Elementary Education Majors

b. Sponsors

Department of Art and Department of Elementary Education
George Neff, Chair, Department of Art
George Brent, Chair, Department of Elementary Education

2. RATIONALE

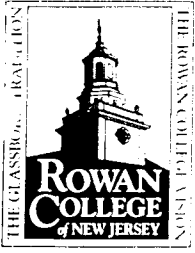

- a. Need: Beginning in Spring, 1995, the Department of Art will offer a B.A. degree which conforms to the Rowan B.A. model. The Department of Art would now like to offer this program to Elementary Education majors as a Coordinate Major. We anticipate that this curriculum will appeal to Elementary Education students who, upon certification, plan to incorporate art experiences into their classroom teaching.
- b. Curricular Effect/Impact: There is no need for additional courses in this curricular request. The proposed major for Elementary Education students is identical to the art curriculum of the B.A. taken by students interested in an art degree with a strong liberal arts component.

3. CONSULTATION

The chairs of both departments involved concur on the desirability of making a major in art available to Elementary Education majors. The proposal was encouraged by Acting Vice President/Provost Gephardt and Acting Dean of Fine and Performing Arts Christy. The Art Department faculty approved unanimously.

I have reviewed the new Art coordinate major and find it meets our standards. We welcome Art as one of our coordinates. Our students will have a broader choice in courses because of this major.
