Subj: Changes to the BSBA Curriculum -- Course Title Changes

As part of the work to update the college catalog, our department reviewed the curriculum and would like to make several small changes relating specifically to course titles. These changes do not affect any other departments and all of the changes have been reviewed by the co-chairpersons and were approved by the faculty at its regular meeting on March 3, 1982.

1. Change the name of 0504.320, "Managerial Finance I" to "Managerial Finance." Change the name of 0504.325, "Managerial Finance II" to "Long-Term Asset Management." Rationale: The names are more descriptive of content.

2. Change the name of 0504.300 "Process of Management" to "Organizational Behavior." Rationale: The name is more descriptive of the course content.
