**Rowan University
Department of Biological Sciences**

**Minor Curricular Change:
Delete Biological Techniques**

1. Details

a. Change requested:

Delete Biological Techniques 0401.410 from the undergraduate catalog.

b. Sponsor: Gregory Hecht, Assistant Professor, Biological Sciences

2. Rationale

a. Statement of "need" for such a change:

The Department has no plans to offer this particular course in the future. Biological Techniques has effectively been replaced by a new course, Animal Histology 0401.465, which was proposed and fully approved during AY 97/98.

b. Statement of curricular effect:

None. Therefore, this curricular change primarily serves a "housekeeping" function.

3. Results of consultation:

Consultation internal to the department was conducted.
