I. Details: Title Change

A. Name Change: From Problems and Administration of
School Camping to Camp Administration

B. Sponsor: Daniel P. Stanley

II. Rationale:

A. Name change more specific to the content and purposes
of the course.

B. Anticipate no specific departmental effect from this
name change. However, the title may attract students
outside the physical education field that have specific
responsibilities in camp administration.

III. Results of Consultation:

Dr. Morton Tener, Curriculum and Instruction: Secondary
Education

Dr. Tener was consulted about the Camp Administration Graduate
Course in Health and Physical Education because of his vast
experience in the camping profession. Dr. Tener is an owner/
operator of a private camp in the Pocono Mountain area.
He indicated that the title change seemed to be appropriate
for this course.
