## CURRICULUM PROPOSAL

### Proposal for Change in Name and Number for Computer Data Structures and Algorithms

#### 1. Details

- a. Change Requested: Change course name from Computer Data Structures and Algorithms to Data Structures and Algorithms and change number from 0704.322 to 0704.222.
- b. Sponsors: Don Stone, Department of Mathematics and Computer Science.

#### 2. Rationale

- a. The word "Computer" in the course title is redundant and is not commonly used by other schools. The course is a sophomore-level course, so it should have a number in the 200's. It is a prerequisite to courses (e.g., Programming Languages) which have numbers lower than its current number.
- b. This change will have little curricular effect.

3. Consultations are internal to the Department of Mathematics and Computer Science.
