**Rowan College of New Jersey
Department of Computer Science**

**Minor Curricular Change:
Removing Computer Architecture from the Catalog**

1. Details

a. Change requested:

Remove 0706.380 Computer Architecture from the College Catalog.

b. Sponsor: Jianning Xu, Assistant Professor, Computer Science

2. Rationale

a. Statement of "need" for such a change:

A new course 0706.412 Advanced Computer Architecture has been created to replace the old Architecture course.

b. Statement of curricular effect:

The Advanced Computer Architecture course is a restricted elective for incoming majors. For those students who are already in the program, Advanced Computer Architecture must be taken in place of Computer Architecture.

3. Results of Consultation

Consultations are internal to the Computer Science Department.
