MINOR CURRICULAR CHANGE
TITLE CHANGE

1. Details:

Change Requested:

From: Contemporary Health Problems (0837.190) - 3 s.h.

To: Contemporary Health (0837.190) - 3 s.h.

Sponsors:

Department of Health and Physical Education
Edith Thompson, Curriculum Committee Chairperson
Mary Putman, Department Chairperson

2. Rationale:

The content in this three semester hour course includes a wide variety of health topics and is not limited to health problems. As the only required general health course for Health and Physical Education Majors it is imperative that emphasis be optimum health and health promotion as well as prevention and the problems caused by negative health. This change promotes emphasis on the positive aspects of good health.

This change will have no negative curricular effects.

3. Results of Consultation:

The members of the Department of Health and Physical Department have approved this change in course title.
