

Rowan University Senate

MEMORANDUM

To: Christy Faison, Acting Provost
From: Eric Milou, Senate Curriculum Chairperson
Date: July 27, 2004
Re: SCC # 03-04-715

Please accept the following wording change to Senate Curriculum Committee proposal number 03-04-715.

The course title should be changed

From: Courts and Related Agencies
To: Courts and Supportive Agencies

I feel that this one word change does not significantly affect the proposal or any University department to warrant a new proposal from the Law & Justice department.
