**Minor Curricular Change Proposal:
Change the HEGIS number of Design & Implementation of Operating
Systems**

1. Details

- a. **Change Requested:** Change the HEGIS number of Design & Implementation of Operating Systems
FROM: 0702.560
TO: 0704.560
- b. **Sponsor:** Jennifer Kay, Computer Science Department

2. Rationale

- a. **Statement of “need” for such a change:** This proposal is written at the request of the Interim Associate Provost. The current HEGIS number is 0702, MIS, and is causing problems in the conversion to Banner. The new HEGIS number, 0704, is Computer Programming, and more appropriate.
- b. **Statements of curricular effect:** This will have no curricular effect
- c. **Changes in requirements:** None

3. Results of Consultation

The MIS Department was consulted.
