**Minor Curricular Change:
Removing Digital Design and Lab from the Catalog**

1. Details

a. Change requested:

Remove 0706.370 Digital Design and Lab from the College Catalog.

b. Sponsor: Jianning Xu, Assistant Professor, Computer Science

2. Rationale

a. Statement of "need" for such a change:

A new course 0706.310 Principles of Digital Computers has been created to replace the Digital Design course. All the Computer Science majors are now required to take the new Principles of Digital Computers course.

b. Statement of curricular effect:

The new Principles of Digital Computers course remains a required course for majors.

3. Results of Consultation

Consultations are internal to the Computer Science Department.
