(12)

TO: Dr. Shirley O'Day
 Chairperson, Curriculum Committee

FROM: Dr. Charles T. Donohue ^{etc} and Dr. Vivian Zinkin for the English Department

DATE: September 26, 1975

SUBJECT: Change in Course Title

Request that the course title "Modern Grammar" (1505.301) be changed to "Phonology and Structure of American English." The new title will carry, of course, the same catalogue number.

Rationale: Among students and specialists in the English Language area, the connotations of the phrase "modern grammar" vary considerably. The proposed new title, a more precise description of the content of the course as it has always been taught, should eliminate possible confusion.

ACADEMIC DEAN

Consultation on proposal has been held.
